Eliza (age 13)

1. Do you live in the area? If so how long?

-yes, eight months

2. How often do you come here and for what reasons?

Every day for excitement and going down hills on my bike

Happy

3. Do you feel connected to the gardens?

A lot of ways

4. Is the neighborhood safe?

It's unsafe the again it is safe its unsafe cause kids sometimes they fight or they go get knives and weapons or they don't got breaks on their bikes or some people snatch up people in the wood stay in group then again it is safe cause some kids don't even like violence... (They only fight if provoked in defense)...some old people might say it's unsafe because back in their days they just go down the street and they know their name by heart.... (Don't want to use the rest)

5. Do you see the gardens as a place of brotherhood or a battleground?

I think it's like a brotherhood

Abeony, age 11

9. Do you live in the area? If so how long?

-yes, eleven years

2. How often do you come here and for what reasons?

One to two days a week – to ride my bike and just look around and see how nice nature is

6. Do you feel connected to the gardens?

Yes, like it's just nice like you just in paradise you can just come here every day and just have fun

7. Is the neighborhood safe?

I describe it as both...safe is they got security watches its unsafe cause with out security anyone could snatch a child

8. Do you see the gardens as a place of brotherhood or a battleground?

Both, you should be like totally having peace and love but if someone messing with you family and country you should defend that.
