Thank you for participating in the Tremont Oral History Project, conducted by students taking the Local History Seminar (HIS 400) at Cleveland State University. CSU and Tremont West CDC are partnering on this project.

By signing the form below you give your permission to include any tapes, notes, and/or photographs made as part of this interview to be used in the completion of the course project. Any materials and/or notes from this interview will be archived by the instructor and the archives at CSU. Further, the products of this interview will be available to other students/faculty for educational purposes, for inclusion in exhibits, and for possible use in accompanying program materials on the Internet. The material will not be used for commercial purposes. Should excerpts be published in any format, you will be contacted.
